

## **DUCKHAMS QXR 0W-30 FJL**

### **PRODUCT DESCRIPTION**

Duckhams QXR is a range of high performance synthetic engine oils formulated with cutting edge additive technology and high quality base oils to meet the latest specifications and provide superior protection for modern passenger cars.

Duckhams QXR 0W-30 FJL is a fully synthetic, mid-SAPS engine oil specifically developed for Ford engines from 2014 onwards, new Land Rover and Jaguar models from 2015 and 2016 onwards.

---

### **FEATURES AND BENEFITS**

- Fully synthetic, mid-SAPS formulation provides superior protection for modern engines while reducing harmful emissions for an eco-friendly performance.
- Cutting-edge additive technology enhances engine efficiency, ensuring long-lasting protection and optimal performance.
- Designed specifically for Ford engines from 2014 onwards and Land Rover/Jaguar models from 2015/2016, offering perfect compatibility and reliability.
- Meets the latest specifications, providing advanced protection and boosting fuel efficiency for modern passenger vehicles.
- Reduces engine wear and tear across a wide range of driving conditions, extending engine life and minimizing maintenance costs.
- Mid-SAPS technology ensures a balance between engine protection and environmental responsibility, reducing harmful exhaust emissions.

---

### **SPECIFICATIONS AND APPROVALS**

Recommended for vehicles requiring 0W-30 oils meeting the following specifications:  
**ACEA C2; Ford WSS-M2C950-A; Jaguar Land Rover STJLR.03.5007**

## TYPICAL PHYSICAL CHARACTERISTICS

Test	Unit	Typical
Density @ 20°C	Kg/m <sup>3</sup>	0.838
KV100	cSt	9.6
KV40	cSt	47.9
VI	-	191
CCS	cP	3687
TBN	mgKOH/g	7.5
Zn	%	0.088
Ca	%	0.174
Colour	Visual	Clear Amber
Flash	°C	212
Pour Point	°C	-55

Typical physical characteristics are provided as an indication of properties based on current production data only, and should not be construed as a specification. Acceptable variation may occur during the manufacturing process without affecting the performance of the lubricant. This data can change without notification. Current version of this data supersedes all previous versions.

---

## HEALTH, SAFETY AND ENVIRONMENT

Based on available information this product is not expected to present a significant health and safety hazard when used in the recommended applications and in accordance with the recommendations in the Safety Data Sheet. Safety Data Sheet available on request through your sales agent, or from the internet. Avoid prolonged or repeated contact with engine oils. Wash skin thoroughly after contact.

Protect the environment. Dispose of product and packaging in accordance with local regulations.

---

## STORAGE AND HANDLING

Packed lubricants should be stored under cover. Where outside storage of drums is unavoidable, they should be laid horizontal to avoid water ingress. Product should not be stored in direct sunlight or excessively high, or low, temperatures. Duckhams can provide professional advice on the storage of lubricants.
