

PRODUCT DESCRIPTION**QXR 0W-30 PS**

QXR 0W-30 PS is a premium fully synthetic engine oil engineered for advanced performance and protection. Ideal for modern petrol and diesel engines, it ensures smooth operation in both extreme cold and high-temperature conditions. This formulation enhances fuel efficiency, supports engine cleanliness, and is suitable for vehicles equipped with emission control systems.

**FEATURES AND BENEFITS**

- Fully synthetic formula designed for improved fuel economy and engine protection
- Provides exceptional performance during cold starts and in low-temperature environments
- Provides consistent lubrication and engine protection across a wide range of driving conditions
- Helps keep engines clean and running smoothly for longer service intervals
- Compatible with vehicles using modern emission control technologies
- Maintains stability and reliability even under high thermal stress

SPECIFICATIONS:

API SP;
ACEA C2.

PSA B71 2312;
PSA B71 2302;
Fiat 9.55535-GS1;
Fiat 9.55535-DS1.

TYPICAL PHYSICAL CHARACTERISTICS

Property	Unit	Typical Data
Viscosity		0W-30
Density @ 20°C	Kg/m ³	0.844
KV100	cSt	9.9
KV40	cSt	53.1
VI	-	177
CCS	cP	5819
TBN		9.7
Sulphated Ash	%	0.8
Colour		Clear Amber
Flash (Closed)	°C	195
Pour Point	°C	-48

HEALTH, SAFETY AND ENVIRONMENT

Based on available information this product is not expected to present a significant health and safety hazard when used in the recommended applications and in accordance with the recommendations in the Safety Data Sheet. Safety Data Sheet available on request through your sales agent, or from the internet. Avoid prolonged or repeated contact with engine oils. Wash skin thoroughly after contact.

Protect the environment. Dispose of product and packaging in accordance with local regulations.

STORAGE AND HANDLING

Packed lubricants should be stored under cover. Where outside storage of drums is unavoidable, they should be laid horizontal to avoid water ingress. Product should not be stored in direct sunlight or excessively high, or low, temperatures. Duckhams can provide professional advice on the storage of lubricants.
