

PRODUCT DESCRIPTION

QXR 0W-20 FO

QXR 0W-20 FO is a high-performance fully synthetic engine oil formulated for modern fuel-efficient engines. It ensures fast circulation during cold starts, consistent protection in all driving conditions, and supports engine cleanliness over long drain intervals. Designed with low emissions in mind, it meets the needs of advanced vehicles with sensitive after-treatment systems.

FEATURES AND BENEFITS

- Provides excellent fuel economy and optimized engine efficiency
- Ensure reliable cold start protection and quick oil flow
- Delivers stable performance under both city traffic and high-speed driving
- Helps maintain engine cleanliness and reduce buildup of harmful deposits
- Compatible with modern emission systems and eco-friendly technologies
- Offers dependable performance under high thermal and mechanical stress

SPECIFICATIONS

ACEA C5, ACEA C6;
API SP, API SN Plus.

Ford WSS M2C-952-A1;
MB 229.71;
OV0401547;
GM Dexos® D;
STJLR 03.5006.

TYPICAL PHYSICAL CHARACTERISTICS

Property	Unit	Typical Data
Viscosity		0W-20
Density @ 20°C	Kg/m ³	0.844
KV100	cSt	8.3
KV40	cSt	40.2
VI	-	183
CCS	cP	5356
TBN		9.5
Sulphated Ash	%	0.7
Colour		Clear Amber
Flash (Closed)	°C	209
Pour Point	°C	-39

HEALTH, SAFETY AND ENVIRONMENT

Based on available information this product is not expected to present a significant health and safety hazard when used in the recommended applications and in accordance with the recommendations in the Safety Data Sheet. Safety Data Sheet available on request through your sales agent, or from the internet. Avoid prolonged or repeated contact with engine oils. Wash skin thoroughly after contact.

Protect the environment. Dispose of product and packaging in accordance with local regulations.

STORAGE AND HANDLING

Packed lubricants should be stored under cover. Where outside storage of drums is unavoidable, they should be laid horizontal to avoid water ingress. Product should not be stored in direct sunlight or excessively high, or low, temperatures. Duckhams can provide professional advice on the storage of lubricants.
